

## **A Message from President & CEO Chris Palusky on Refugee Resettlement**

Having been at Bethany Christian Services for a short time, I already feel honored to work with a Christian organization that helps refugees, or as Jesus described them in Matthew 25:40, “the least of these.” I have seen that Bethany is committed to welcoming refugee and immigrant families, in partnership with local churches and community agencies. Bethany is blessed to be able to offer hope and support to the thousands of refugees who have fled their homes from some of the most desperate war zones around the world. In my short time serving as Bethany’s president and CEO, I have learned about the wonderful work we do for those in need and am proud to work with a team of dedicated professionals committed to serving families—many of whom are women and children—and offer them solace and a place to rest without fear.
