

Together Sunday

Your church can protect children by keeping families together

Millions of families around the world live in the kind of deep, relentless poverty that tears them apart. And when parents struggle to care for their children, they often face terrible choices, like placing their children in an orphanage, sending them out to beg instead of into a classroom to learn, or giving away their young daughters in marriage.

INVITE YOUR CHURCH TO EMBRACE FAMILY SPONSORSHIP

Bethany's Family Sponsorship program exists so families no longer have to make these kinds of heart-wrenching decisions. Through sponsorship, your church will show the love of Christ by providing life's essentials such as:

Health care, safe drinking water, and nutritious food

Proper shelter

Basic hygiene and sanitation training

Access to education and school supplies

Microloans and training to start a small business

Caseworker support

IT ALL BEGINS WITH A TOGETHER SUNDAY AT YOUR CHURCH

By hosting a Together Sunday, your church will focus on the importance of family, hear stories of how God is changing families, and learn about global families in need. A Together Sunday creates opportunities for everyone in your congregation to connect with struggling families.

Individuals and families will be invited to become family sponsors

Pastors will have an opportunity to travel to Ethiopia or Haiti and meet the families your church sponsors

Together, your church can come alongside families to equip, support, and empower them on their journey to self-sufficiency
